## Storm Damage and Leak Repairs, Hurricane Florence Storm Response

Customers.

The Simpson Service Team is preparing for the upcoming potential of Hurricane Florence's impact on the Metropolitan area, including inventory re-supply for emergency repair materials and allocation of manpower

In the event of severe storm impact on our service area, requests for service will be handled on a first-come, first-served basis with an override for emergency situations for the protection of customer property.

To request service before, during, or after the event, please use the contact information provided below.

We will do our professional best to respond to the event as quickly and effectively as possible, however we have a responsibility to dispatch our staff only when it has become safe to do so. If you have any questions or special concerns, please feel free to contact me directly.

Thank you,

Daniel Ulvinen
